

LIFELINE GOSPEL MINISTRIES

Truly, Truly, I say unto you, he that believes on me has everlasting life. John 6:47

NEWS REPORT MARCH 2018

New Ventures in Ministry

We are ever so excited to see the diverse things that the Lord continues to do in our midst as we trust Him to do the work that He is allowing to take place each day in the lives of others who serve faithfully alongside us in this ministry. We are always amazed at what the Lord will do when He is in control.

The work that the Lord began in Honduras is continuing through the people He raised up in that country to use the Cara a Cara (Face to Face) booklet and Leaders guide. Lives are being changed as pastors and their wives minister in various communities and schools. The work in Jamaica goes on as we continue to team with different ones who are eager to serve the Lord and waiting for an opportunity. Right now there is a lady ministering there because the Lord led her to spend one month of her time to minister in a needy area in Kingston, using the Face to Face booklet and Leaders Guide. Today St Lucia is waiting on a shipment of the "No Worries" booklet which they will be using to minister to those who are getting to understand the great value that Almighty God places on each life. This booklet will help them to understand that we all have flaws, and those flaws are part of God's handiwork. Regardless of our flaws, we are fearfully and wonderfully made.

Here at Lifeline we firmly believe that the work of the Lord must be shared by the people whom the Lord called in various countries to minister on a far deeper level than a team going to them several times a year to minister and then depart. There is a time and a place for that, but as the ministry continues to grow, the greater need is always to raise up younger teams who will take the ministry much further than we could ever imagine. God is at work and we will always continue to join Him in what He is doing.

GERMAN MINISTRY TEAM IN JAMAICA

From February 26 to March 2, 2018, a team from Karlsrube, Germany, led by Stephan Guenther, and coordinated by Donovan Beerisng, Portmore, ministered in schools in Jamaica through Lifeline Gospel Ministries.

Following is a list of the schools where they shared the gospel and distributed the *Face to Face* booklets:

February 26 - Cumberland High School, Portmore

February 27 - Kingston Technical High School

Greater Portmore High School

February 28 - Calabar Primary & Junior High School, Kingston

March 1 - Holy Family Primary School, Kingston

Operation Restoration Christian School, Kingston

March 2 - Portmore Missionary Church Preparatory School

The German Team Ministering in Jamaican Schools
